DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 11/6/2006 has been entered.

2. This application is in condition for allowance except for the following formal matters:

Election/Restrictions

3. Applicant is requested to cancel the non-elected claims 1-10 in response to this office action.

Specification

4. The abstract of the disclosure is objected to because it is not indicative of the invention to which the claims are directed. Correction is required. See MPEP § 608.01(b).

5. The title of the invention is not descriptive. A new title is required that is clearly indicative of the invention to which the claims are directed.

The following title is suggested: "AN INSTALLATION TOOL FOR ASSEMBLING A ROTOR BLADE OF A GAS TURBINE ENGINE FAN ASSEMBLY".

Reasons for Allowance

6. The following is an examiner's statement of reasons for allowance:

Regarding claim 11, as argued by applicant, the prior art fails to teach or suggest the specific features of a rotor blade installation tool including a blade engagement end having an engagement top surface and a guide end including a body having a guide end top surface, where the guide end top surface is positioned above the engagement top surface.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

7. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sarang Afzali whose telephone number is 571-272-8412. The examiner can normally be reached on 7:00-3:30 M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Bryant can be reached on 571-272-4526. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
